

Certificate

Within a certification audit the organisation

Recytex GmbH & Co. KG

at the location

Heiligenstraße 75, 41751 Viersen

has proved that a quality management system was established
and is successfully applied in accordance with the requirements of the international standard

ISO 9001

Issue of September 2015

for the following activity

development of non-woven made of recycled or virgin fibers for upholstery, acoustics, heat- and noise-insulation as well a production of finished products based on these materials for the automotive-, furniture-, ship building- and machinery-industry; development and production of effect- and technical yarns made of thermoplastics.

This certificate is a seamless continuation of the previous certificate
and is valid from 03.03.2019 until 02.03.2022.

Berlin, 14 February 2019
